Details on Student Support Regulations 1 July 2009

In 2010-11 students starting a full-time course will be eligible for the same level of up-front maintenance support that was available for new students in 2009-10:

- The full maintenance grant will remain at £2,906
- The family income threshold for a full maintenance grant will remain at £25,000
- The family income threshold for a partial grant will remain at £50,020
- Maximum maintenance loans and thresholds will remain at 2009-10 levels, which for a new student living away from home outside London could be up to £4,950 a year.
- New students fee loans start at £3,290 a year This is an increase of 2.04%

NOTE: Any student or parent wanting to know how much finance support will be available can contact the Student Financial Services service if they already receive the Education Maintenance Allowance.
There is no longer a guarantee of the future support but information on what they are likely to receive is available.
